Profile

I am a Teaching Assistant at the Faculty of Computer and Information Sciences at the Egyptian E-Learning University (EELU). I graduated in Computer Science and Information Systems from Menofia University with a GPA of 3.13 (with honors).

I have over 5 years of experience in Flutter development, with more than 100 mobile applications published on both Google Play and the Apple App Store.

I also have over 8 years of experience in teaching programming at academies such as UpgradeX and Programming Family, where I trained students in programming fundamentals and problem-solving skills.

In addition, I have worked at Apex Technology in mobile application development, contributing to real-world software products.

I am passionate about building scalable applications, mentoring developers, and delivering high-quality software solutions.
